ABOUT ONE TRUST HOMES

MISSION

We want to empower youth in becoming mature, strong highly functioning members of society through the exploration of purposes, dreams, and passions.

VISION

One Trust Group Homes is a progressive group homes for adolescents that will provide programs which aid in the pursuit of higher education and skilled trades.

PROGRAM ADMISSION AND OVERVIEW

One Trust Group Home is to provide a non-institutional, safe, secure, and nurturing environment for “at risk” adolescent youth who are in need of placement. We provide a structured environment, with a range of programs for adolescents. These programs and interventions are individually tailored to assist with the acquisition, retention or improvement of daily living and conflict resolution skills. With acquiring these skills, the residents of 1 Trust Group Home will become productive citizens. We provide a structured environment and reinforce behavior that is positive and appropriate.
